Hi everyone :) First off, I want to thank you all for what sounds like a smooth running ASC last month – I was so grateful for the opportunity to take time with family knowing that y'all would just handle the biznez. Since then, I've been finding myself in more meetings & actually stuck around for some home group business meetings. I love seeing how other homegroups run them and learning things that maybe my home group could incorporate...I also attended Hearts and Farts & even entered the chili cook off! I did not taste a one of them so I couldn't say mine was the best...pretty sure it was tho! There's something about attending events that I just don't get anywhere else in the rooms. Thank you to the Activities Committee for putting on another fun & fulfilling event! I'm looking forward to the Winter Winners audit. Some of you may remember a report from last month that said something about mine & Theresa's math skills being sub-par, and I would like to reassure you all that I've been working on that.

I spoke with our C&E Liaison and she will not be attending today and is in an area that makes her unable to send a report – hopefully many of you are looking forward to Clean & Free March 12th-15th. Make sure to save the date for WNIRCA 41 May 14th-16th in Everett :)

I also want you all to know being accountable & transparent are important to me, so if there's anything you ever believe is missing from my reports please let me know.

We will have a short discussion during OPEN FORUM regarding next Area's Date and doing a straw pull to settle it – Mo & I will rock paper scissors who's gonna run the straw pull vote :)

I'm thankful to you all and am looking forward to another great month of service to Narcotics Anonymous!

With Gratitude,
Riece B

Report:

Hello ASC, For February, our beginning register balance was \$13,788.16. After all deposits and expenses, our check register balance is \$14,291.89. I visited US Bank with the former treasurer and the current assistant treasurer to be added as a signer to the bank account. We were notified this process could take over a week and scheduled appointments to complete the process. I plan to obtain the hot spot as directed by this body once the area bank account signers are complete and the debit card is re-issued for the account. Currently the debit card in my possession has the former treasurer's name on it, and I don't want to set up the account using a card that will soon be replaced. I received an email that our Zoom account price will increase by \$10.00 on our next annual billing cycle, to \$186.37 April of 2026. It's been brought to my attention that there is still some dissention in this body regarding the surplus funds in the ASC bank account, even with increasing our regional contribution. I spent a good amount of time last night analyzing the 2025 ledgers to see what we can do. I noticed a trend which I'd like to bring up in open forum to discuss with you all. I hope to bring forward a motion that will be a true solution to this excess of funds and prevent it from occurring in the future. In service, Mandie D

Hello Everyone,

I had one update this month that was just completed regarding the ASC Treasury's regional donations and prudent reserve. I am still working out some formatting inconsistencies with that document as I go. It has been brought to my attention that spending some time with the IT Subcommittee may be just the bridge we need to make sure all our service literature is both up to par and updated everywhere necessary on the website. We will be having a spiritual inventory in April and I am shopping for guests to come host it. I hope to see participation and sincere effort put forth by our area at the spiritual inventory.

Thank you,

Position: ASC Literature Coordinator
Name: Adan Q.

Report:

Salutations my good people and distinguished guests, Let me start by saying thank you for being here and your service. And thank you for the opportunity to be of service to this body and Pierce County. Due to my negligence and a lack of communication, it is to my dismay to be the bearer of some unsettling news. None the less the severity is not something we cannot overcome and continue our journey buoyantly together. Without further a do, as of January 1, 2026, the literature price increase went into effect. I received December 2025 orders and with it a price sheet as always and on the top of the page it says price increase effective as of January 1st in comparison to previous price sheets and information I saw no changes. I kept an eye on my Lit Coord email and did not receive any information about the price changes. After January ASC meeting, I continued my normal ordering process going into February. As I was ordering a 30 book order for a Thursday Book Study that I attend, I pulled the price sheet and noticed that yes the prices have increased. Therefore, January and February ASC orders did not properly reflect the new pricing, showing a difference of -\$94.50 for January, and -\$109.25 for February from the homegroups using the old pricing sheet. The totals are as follows: January \$1024.43, including PR order of \$154.95 and Book Study order of \$337.50. February \$1173.96, including PR order of \$139.35. I have since created a new price sheet with all updated pricing that I have brought to ASC today. I have made enough copies that all GSR's can take one back to their home group, so please familiarize yourself with the new prices going forward. However, the new price sheet does not have an increase on individual items to compensate for shipping costs. Orders under

\$501 are subject to 14% cost for shipping, and orders above \$501 receive a 4% discount, so only subject to 9% cost for shipping. PR orders range from \$100-\$200 typically, so combining the PR order with the ASC order allows for the discount on shipping to be applied. By keeping the literature posted at the NA web cost, and not including an additional increase to individual items to cover shipping costs, I believe will help struggling home groups, seeing as PCANA has a money surplus to be able to cover shipping costs if the body sees fit. Otherwise, we can discuss how to adjust the price sheet to include covering future shipping costs. The silver lining, In Time of Illness stays the same price, IP 13 is down 3 cents, SPAD special edition is \$15 less, they are no longer selling NA Bar Soap, and NA playing cards and greeting cards have remained the same price. Also want to give a special thanks to my wife who helped in this little venture. Yours in Service, Adan Q

Hello all, I picked up and delivered schedules to ASC. I will be asking a list of trusted servants to log in and go through their respective emails. Get rid of anything outdated or not needed and empty the trash. Every email address has a limit, so please keep up on this. QR code was added to the schedule. I.T. has 2 motions to present today. We discussed a P.R. Liasion to help with information sharing since the webservant was removed from that committee when I.T. was created. I created a Google account for I.T. chair, and will do so for P.R. chair concerning logins to zoom, etc. It allows for no personal information be put onto the Area laptops.

Discussion was had, I will move to the vice Chair position to continue helping this amazing committee. No nomination for chair will be made today for Chair.

Open positions: Chair, secretary, and in person moderator.

The how to's can be found in a file at the bottom of the page of the subcommittee pull down menu. Please let people know.

This body did the undertaking of a great task when we developed the hybrid for ourselves. The diligent work and pains we went through are being seen throughout the region. I was contacted by NEWANA for the information we've collected so as to help them start creating a hybrid meeting that works for them.

ASC Activities Chair report March 1, 2026 I have stepped down as the Activities chair, effective 2/17/26. There were challenges in the understanding and application of spiritual principles between myself and most of the committee members. We were continually not aligned and this caused disunity amongst the group, leading committee members to drop commitments. I cannot in good conscience continue to serve in this capacity. I do like every member of this committee individually and I wish them all the best as they continue to serve together. Thank you for letting me be of service. KD
